Welcome to Wizard Jeans' newsletter!

An early Happy Valentine's day to you all - don't worry if you won't be celebrating, we've got some style tips for you whether you'll be spending it with a secret admirer, your other half or a best friend.

If you're still unsure of what to wear on St. Valentine's Day, why not team our jeans with a killer pair of heels, sheer blouse and tailored jacket - stylish and comfortable yet head-turning.

As you know we have a great variation of styles so if you're planning on spending the day with your closest friends, you'll obviously need a fab outfit. Try our Audrey Blue Diamante skinnies - perfect for adding a touch of glamour be it day or night. If you're heading out on a date, slip in our Jude Stonewash Blue for a sleek look.

Of course you gents need to scrub up too - that doesn't mean you need to be uncomfortable in ill-fitting trousers all night long. Choose from our 3 coveted men's styles depending on how you're spending the day. The Redford style is perfect for a casual day out whilst the Brad in either Blue or Black is perfection in the evening.

Whatever you're up to this month, have a fabulous time!

SALLY'S TOP TIPS

1 If you're looking to glam up your look, get the Audrey Blue Diamante jean - this style is perfect for petite ladies or as a cropped jean. It looks great with heels and flats alike so you can wear them for a day of shopping or a night of cocktails. Keep your top half simple to let the sparkly diamante do the talking.

2 Make the most of our offer this month and suit up yourself AND your man. The Brad Blue can be teamed with a smart shirt and the Jude Stonewash Blue looks fab with heels. If you're not planning on spending the 14th with anyone, our jeans make great gifts too!

3 These cooler months are absolutely the time to indulge in the ultimate cosy outfit. Our form-fitting jeans tucked into your favourite boots worn with a big, chunky knit. The Audrey and Gina skinnies work especially well for this.
